500 Miles - The Proclaimers

When I wake up, yeah, I know I'm gonna be,
I'm gonna be the man who wakes up next to you.
When I go out, yeah, I know I'm gonna be,
I'm gonna be the man who goes along with you.

If I get drunk, well I know I'm gonna be,
I'm gonna be the man who gets drunk next to you.
And if I haver, yeah, I know I'm gonna be,
I'm gonna be the man who's havoring to you.

[chorus]

But I would walk 500 miles
and I would walk 500 more,
Just to be the man who walked 1,000
miles to fall down at your door.

When I'm working, yeah, I know I'm gonna be,
I'm gonna be the man who's working hard for you.
And when the money, comes in for the work I do
I'll pass almost every penny on to you.

When I come home, oh I know I'm gonna be,
I'm gonna be the man who comes back home to you.
And if I grow old, well, I know I'm gonna be,
I'm gonna be the man who's growing old with you.

[repeat chorus]

[shouty bit]

Ta la la ta (*ta la la ta*)
ta la la ta (*ta la la ta*)
la la la ta la la la
la la ta, la la la la la

Ta la la ta (*ta la la ta*)
ta la la ta (*ta la la ta*)
la la la ta la la la
la ta, la la la la la

When I'm lonely, well, I know I'm gonna be,
I'm gonna be the man who's lonely without you.
And when I'm dreaming, well, I know I'm gonna dream,
I'm gonna dream about the time when I'm with you.

When I go out, well I know I'm gonna be,
I'm gonna be the man who goes along with you.
And when I come home, well I know I'm gonna be,
I'm gonna be the man who comes back home to you.
I'm gonna be the man who's coming home to you.

[repeat chorus]

[repeat shouty bit]

9 - 5 - Dolly Parton

[intro - first 3 lines instrumental]

Tumble out of bed and I stumble in the kitchen,
Pour myself a cup of ambition
And yawn and stretch and try to come to life.
Jump in the shower and the blood starts pumping,
Out on the street the traffic starts jumping
With folks like me on the job from 9 to 5.

[chorus]

Working 9 to 5, what a way to make a living,
Barely getting by, it's all taking and no giving,
They just use your mind and they never give you credit,
It's enough to make you crazy if you let it.

9 to 5, for service and devotion,
You would think that I would deserve a fair promotion,
Want to move ahead but the boss won't seem to let me,
I swear sometimes, that man is out to get me.

They let you dream just to watch them shatter,
You're just a step on the boss man's ladder,
But you've got dreams he'll never take away.
You're in the same boat with a lot of your friends,
Waiting for the day your ship'll come in
The tide's gonna turn and it's all gonna roll your way.

Working 9 to 5, yeah they've got you where they want you,
There's a better life, and you dream about it don't you,
It's a rich man's game, no matter what they call it,
And you spend your life putting money in his pocket.

[repeat chorus]

A Little Respect - Erasure

[intro]

I try to discover
A little something to make me sweeter
Oh baby refrain... from breaking my heart
I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard
That you give me no that you give me no
That you give me no that you give me no
Soul... I hear you calling
Oh baby please... give a little respect to--oo me

And if I should falter
Would you open your arms out to me
We can make love not war
And live in peace with our hearts
I'm so in love with you
I'll be forever blue
What religion or reason
Could drive a man to forsake his lover
Don't you tell me no don't you tell me no
Don't you tell me no don't you tell me no
Soul... I hear you calling
Oh baby please... give a little respect to--oo me

[interlude/solo]

I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard
That you give me no that you give me no
That you give me no that you give me no
Soul... I hear you calling
Oh baby please... give a little respect to--oo me (*Soul*)...
I hear you calling
Oh baby please... give a little respect to--oo me

Africa - Toto

[intro]

I hear the drums echoing tonight
But she hears only whispers
of some quiet conversation
She's coming in twelve-thirty flight
The moonlight wings reflect the stars
that guide me toward salvation

I stopped an old man along the way
Hoping to find some old forgotten words
or ancient melodies
He turned to me as if to say
"Hurry boy, it's waiting there for you"

[chorus]

Gonna take a lot to drag me away from you
There's nothing that a 100 men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the
things we never haaaaad

The wild dogs cry out in the night
As they grow restless
longing for some solitary company
I know that I must do what's right
Sure as Kilimanjaro rises like
Olympus above the Serengeti
I seek to cure what's deep inside
Frightened of this thing that I've become

[repeat chorus]

[instrumental verse]

Hurry boy she's waiting there for you
Gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
I bless the rains down in Africa (*I bless the rains*)
I bless the rains down in Africa (*aaah, I bless the rains*)
I bless the rains down in Africa
I bless the rains down in Africa (*aaah, gonna take some time*)
Gonna take some time to do the
things we never haaaaad

[outro]

Ain't Nobody - Chaka Khan

[intro]

Captured effortlessly. That's the way it was
Happened so naturally, I did not know it was love
The next thing I felt was you holding me close
What was I gonna do? I let my self go
And now we're flyin' through the stars
I hope this night will last forever

I've been waitin' for you. It's been so long
I knew just what I would do, when I heard your song
Filled my heart with your bliss. Gave me freedom
You knew I could not resist. I needed someone
And now we're flyin' through the stars
I hope this night will last forever

Oh oh oh oh

[chorus]

Ain't nobody
Loves me better
Makes me happy
Makes me feel this way
Ain't nobody
Loves me better than you

I wait for night-time to come and bring you to me
Can't believe I'm the one. I was so lonely
I feel like no-one could feel. I must be dreamin'
I want this dream to be real. I need this feelin'
I make this wish upon a star
And hope this night will last forever

Oh oh oh oh

[repeat chorus]

And first you put your arms around me
Then you put your charms around me
I can't resist this sweet surrender
Oh my nights are warm and tender
We stare into each other's eyes
And what we see is no surprise
Got a feeling most would treasure
And a love so deep we cannot measure

[repeat chorus]

[instrumental outro]

All night long - Lionel Ritchie

[intro]

Well, my friends the time has come,
To raise the roof and have some fun.
Throw away, the work to be done
let the music play on. (*play on, play on*)
Everybody sing, everybody dance
Lose yourself in wild romance.

We're going to party, Karamu, Fiesta, forever
Come on and sing along.

We're going to party, Karamu, Fiesta, forever
Come on and sing along.

[chorus]

All night long! (*all night, all night*)

All night long! (*all night, all night*)

All night long! (*all night, all night*)

All night long! (*all night, all night*)

People dancing, all in the streets,
See the rhythm flow, in their feet.
Life is cool, wild and sweet
let the music play on. (*play on, play on*)
Feel it in your heart and feel it in your soul
Let the music take control.

We're going to party, liming, fiesta, forever
Come on and sing along

We're going to party, liming, fiesta, forever
Come on and sing my song.

[repeat chorus]

Once you get started, you can't sit down.
Come join the fun it's a merry-go-round.
Everyone's dancing their troubles a-way.
Come join our party see how we play.

[interlude]

[break]

Tom bo li de, say de moi ya, yeah, Jambo Jambo.
Way to parti', oh we goin', oh, jambali.
Tom bo li de, say de moi ya, yeah, Jambo Jambo
Woah... yes, we're gonna have a party...

[repeat chorus]

[coda]

Everyone you meet, (*all night*),
They're jamming in the street, (*all night*),
All night long. (*all night*), yeah, I said... (*all night*).
Everyone you meet, (*all night*),
They're jamming in the street, (*all night*),
All night long. (*all night*)

All Star - Smash Mouth

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb
with her finger and her thumb
In the shape of an "L" on her forehead

Well the years start coming and they don't stop coming
fed to the rules and I hit the ground running
Didn't make sense not to live for fun,
your brain gets smart but your head gets dumb
So much to do, so much to see,
so what's wrong with taking the back streets?
You'll never know if you don't go,
you'll never shine if you don't glow

[chorus]

Hey now, you're an all-star... get your game on, go play
Hey now, you're a rock star... get the show on, get paid
And all that glitters is gold

Only shooting stars break the mould

It's a cool place and they say it gets colder,
you're bundled up now, wait till you get older
But the meteor men beg to differ,
judging by the hole in the satellite picture

The ice we skate is getting pretty thin,
the water's getting warm so you might as well swim
My world's on fire, how 'bout yours?
That's the way I like it and I never get bored

[chorus]

Only shooting stars break the mould

[instrumental break]

[chorus]

Only shooting stars...
Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep... what a concept, I could use a little fuel myself
And we could all use a little cha-a-a-a-ange

Well the years start coming and they don't stop coming
fed to the rules and I hit the ground running
Didn't make sense not to live for fun
your brain gets smart but your head gets dumb
So much to do, so much to see,
so what's wrong with taking the back streets?
You'll never know if you don't go,
you'll never shine if you don't glow

[chorus]

Only shooting stars break the mould
And all that glitters is gold
Only shooting stars break the mould

Angels - Robbie Williams

[intro]

I sit and wait
Does an angel contemplate my fate?
And do they know the places where we go
when we're grey and old
Cos I have been told
That salvation lets their wings unfold
So when I'm lyin' in my bed
thoughts runnin' through my head
And I feel that love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection whether I'm right or wrong
And down the waterfall wherever it may take me
I know that life won't break me when I come to call
She won't forsake me
I'm loving angels instead
When I'm feeling weak
and my pain walks down a one-way street
I look above
and I know I'll always be blessed with love
And as the feeling grows
she breathes flesh to my bones
And when love is dead
I'm loving angels instead
And through it all, she offers me protection
A lot of love and affection, whether I'm right or wrong
And down the waterfall, wherever it may take me
I know that life won't break me when I come to call
She won't forsake me
I'm loving angels instead

[instrumental]

And through it all she offers me protection
A lot of love and affection, whether I'm right or wrong
And down the waterfall wherever it may take me
I know that life won't break me, when I come to call
She won't forsake me
I'm loving angels instead

Back For Good - Take That

[intro]

I guess now it's time for me to give up
I feel it's time.
Got a picture of you beside me
Got your lipstick mark still on your coffee cup.
Oh yeah
Got a fist of pure emotion,
Got a head of shattered dreams
Gotta leave it, gotta leave it all behind now

[chorus]

Whatever I said, whatever I did, I didn't mean it
I just want you back for good
(want you back, want you back want you back for good)

Whenever I'm wrong just tell me the song and I'll sing it
You'll be right and understood
(want you back, want you back want you back for good)

Unaware but underlined
I figured out the story *(No, no)*
It wasn't good. *(No No)*

But in the corner of my mind *(corner of my mind)*
I celebrated glory
But that was not to be

In the twist of separation
you excelled at being free
Can't you find *(can't you find)*
a little room inside for me

[repeat chorus]

[bridge]

And we'll be together
This time is forever *(forever)*
We'll be fighting and forever we will be
So complete in our love
We will never be uncovered again

[repeat chorus]

I guess now it's time that you came back for good

Bad Moon Rising - Creedence Clearwater Revival

[intro]

I see the bad moon rising,
I see trouble on the way
I see earthquakes and lightning,
I see bad times today

[chorus]

Don't go around tonight,
well it's bound to take your life
There's a bad moon on the rise

I hear hurricanes blowing,
I know the end is coming soon
I fear rivers overflowing,
I hear the voice of rage and ruin

[repeat chorus]

Hope you got your things together,
hope you are quite prepared to die
Looks like we're in for nasty weather,
one eye is taken for an eye

[repeat chorus to fade]

Bad touch - Bloodhound Gang

[intro - with bass]

Sweat baby sweat baby sex is a Texas drought
Me and you do the kind of stuff that only Prince would sing about
So put your hands down my pants and I'll bet you'll feel nuts
Yes I'm Siskel, yes I'm Ebert and you're getting two thumbs up

You've had enough of two-hand touch
you want it rough you're out of bounds
I want you smothered want you covered
like my Waffle House hash browns

Come quicker than FedEx never reach an apex
just like Coca-Cola stock you are inclined
to make me rise an hour early
just like Daylight Savings Time
Do it now!

[chorus]

You and me baby ain't nothin' but mammals
So let's do it like they do on the Discovery Channel
Do it again now!

You and me baby ain't nothin' but mammals
So let's do it like they do on the Discovery Channel
Gettin' horny now!

LOVE!

The kind you clean up with a mop and bucket
Like the lost catacombs of Egypt only
God knows where we stuck it

Hieroglyphics? Let me be Pacific
I wanna be down in your South Seas
But I got this notion that the motion of your ocean
means "Small Craft Advisory"

So if I capsize on your thighs high tide, B-5
you sunk my battleship
Please turn me on I'm Mister Coffee
with an automatic drip
So show me yours I'll show you mine "Tool Time"
you'll Lovett just like Lyle
And then we'll do it doggy style so we can both watch "X-Files"

[repeat chorus] x2

Basket Case - Green Day

[intro - 2 lines of verse]

Do you have the time
To listen to me whine
About nothing and everything all at once

I am one of those
Melodramatic fools
Neurotic to the bone no doubt about it

[chorus]

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid, or am I just stoned?

[instrumental break]

I went to a shrink
To analyze my dreams
She says it's lack of sex that's bringing me down

I went to a whore
He said my life's a bore
So quit my whining 'cause it's bringing her down

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid, Am I just stoned?

[instrumental break]

Grasping to control, So I better hold on

[instrumental verse]

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid, am I just stoned?

[instrumental outro]

Believe - Cher

No matter how hard I try,
you keep pushing me aside
and I can't break through,
there's no talking to you.

It's so sad that you're leavin'
it takes time to believe it.
But after all is said and done,
you're gonna be the lonely one, oh...

[chorus]

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough now.

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough now.

What am I supposed to do?
Sit around and wait for you,
well I can't do that,
and there's no turnin' back.

I need time to move on,
I need love to feel strong,
'cos I've had time to think it through,
'n maybe I'm too good for you, oh...

[repeat chorus]

[bridge]

Well I know that I'll get through this
'cos I know that I am strong.
And I don't need you anymore, I don't need you anymore.
I don't need you anymore, no I don't need you anymore.
oh

[repeat chorus] x2

Boys Don't Cry - The Cure

[intro]

I would say I'm sorry if I
thought that it would change your mind
But I know that this time I have
said too much been too unkind

I tried to laugh about it
cover it all up with lies
I try and laugh about it
hiding the tears in my eyes because

Boys don't cry
Boys don't cry

I would break down at your feet
and beg forgiveness plead with you
But I know that it's too late
and now there's nothing I can do

I tried to laugh about it
cover it all up with lies
I try and laugh about it
hiding the tears in my eyes because

Boys don't cry
Boys don't cry

[bridge]

Misjudged your limits
I pushed you too far
I took you for granted
I thought that you needed me more

Now I would do most anything to
get you back to my side
But I just keep on laughing
hiding the tears in my eyes, because

Boys don't cry
Boys don't cry
Boys don't cry
Boys don't cry

Brown Eyed Girl - Van Morrison

[intro - bass and riff]

Hey, where did we go?
days when the rains came
Down in the hollow
playin' a new game
Laughing and a - running, hey hey,
Skipping and a - jumping
In the misty morning fog with
Our hearts a - thumping and you
My brown-eyed girl
You, my brown-eyed girl

Whatever happened
to Tuesday and so slow
Going down the old mine with a
transistor radio
Standing in the sunlight laughing
Hiding behind a rainbow's wall
Slipping and a - sliding
All along the waterfall with you
My brown-eyed girl
You, my brown-eyed girl

[chorus]

Do you remember when...
we used to sing:
Sha la la la la la la la la te da
Sha la la la la la la la la te da
La te da

So hard to find my way,
now that I'm all on my own
I saw you just the other day,
my, how you have grown
Cast my memory back there, lord
Sometimes I'm overcome thinking 'bout
Making love in the green grass
Behind the stadium with you
My brown-eyed girl
You, my brown-eyed girl

[repeat chorus]

Sha la la la la la la la la te da
Sha la la la la la la la la te da
la te da

California Dreaming - The Mamas and the Papas

[intro]

All the leaves are brown
And the sky is grey
I've been for a walk
On a winter's day
I'd be safe and warm
If I was in LA

California dreamin'
On such a winter's day

Stopped into a church
I passed along the way
Well I got down on my knees
And I pretend to pray
You know the preacher likes the cold
He knows I'm gonna stay

California dreamin'
On such a winter's day

[instrumental]

All the leaves are brown
And the sky is grey
I've been for a walk
On a winter's day
If I didn't tell her
I could leave today

California dreamin'
On such a winter's-
California dreamin'
On such a winter's
California dreamin'
On such a winter's day

Can't Take My Eyes Off You - Frankie Valli

[intro - instrumental verse with riff]

[verse 1]

You're just too good to be true
can't take my eyes off of you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived,
and I thank God I'm alive
You're just too good to be true,
can't take my eyes off of you

Pardon the way that I stare
there's nothing else to compare
The sight of you leaves me weak
there are no words left to speak
But if you feel like I feel,
please let me know that it's real,
You're just too good to be true
can't take my eyes off of you

[pre-chorus]

Dada dada da da-da-da...

[chorus]

I love you, baby, and if it's quite all right
I need you baby to warm the lonely nights
I love you baby, trust in me when I say
Oh pretty baby, don't bring me down I pray
Oh, pretty baby, now that I've found you, stay
And let me love you baby, let me love you

You're just too good to be true
can't take my eyes off of you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived,
and I thank God I'm alive
You're just too good to be true,
can't take my eyes off of you

[pre-chorus]

[chorus]

Common People - Pulp

[intro]

She came from Greece she had a thirst for knowledge
She studied sculpture at St. Martin's College
That's where I caught her eye
She told me that her dad was loaded
I said "In that case I'll have a rum and coca-cola". She said "fine"
and in 30 seconds time she said

I want to live like common people
I want to do whatever common people do
I want to sleep with common people
I want to sleep with common people like you
Well what else could I do?
I said "I'll, I'll see what I can do"

I took her to a supermarket
I don't know why but I had to start it somewhere
So it started there
I said "Pretend you've got no money"
She just laughed and said "Oh, you're so funny!"
I said "yeah, well I can't see anyone else smiling in here"
"Are you sure?"

you want to live like common people
You want to see whatever common people see
You want to sleep with common people
You want to sleep with common people like me
But she didn't understand
she just smiled and held my hand

Rent a flat above a shop
cut your hair and get a job
Smoke some fags and play some pool
pretend you never went to school
But still you'll never get it right
Coz when you're laid in bed at night
watching roaches climb the wall
if you called your dad he could stop it all

You'll never live like common people
You'll never do whatever common people do
You'll never fail like common people
You'll never watch your life slide out of view
And dance and drink and screw because there's nothing else to do

[instrumental verse]

Sing along with the common people
Sing along and it might just get you through
Laugh along with the common people
Laugh along even though they are laughing at you
And the stupid things that you do
Because you think that poor is cool
I want to live with common people like you
Yooou La la la la la **[x3]**
like you

Complicated - Avril Lavigne

[intro]

Uh huh, life's like this
Uh huh, uh huh, that's the way it is
Cause life's like this
Uh huh, that's the way it is
Chill out, whatcha yellin' for?
Lay back, it's all been done before
And if you could only let it be, you would see
I like you the way you are
When we're drivin' in your car
And you're talkin' to me one-on-one, but you become

[pre-chorus]

Somebody else 'round everyone else
You're watchin' your back like you can't relax
You're tryin' to be cool
You look like a fool to me - tell me

[chorus]

Why'd you have to go and make things so complicated?
I see the way you're actin' like you're somebody else, gets me frustrated
Life's like this, you... and you fall, and you crawl, and you break
and you take what you get and you turn it into honesty
and promise me, I'm never gonna find you fake it

No no no

You come over unannounced
Dressed up like you're somethin' else
Where you are and where it's at, you see, You're makin' me
laugh out when you strike your pose
Take off all your preppy clothes
You know, you're not foolin' anyone, when you become

Somebody else 'round everyone else
You're watchin' your back like you can't relax
You're tryin' to be cool
You look like a fool to me - tell me

[chorus]

No, no (no no)
No, no (no no)
No, no (no no)
No, no (no no, no)

Chill out, whatcha yellin' for?
Lay back, it's all been done before
And if you could only let it be, you will see

Somebody else 'round everyone else
You're watchin' your back like you can't relax
You're tryin' to be cool
You look like a fool to me - tell me

[chorus] x2

No, no, no

Country House - Blur

[intro instrumental for half a verse]

City dweller, successful fella
thought to himself, oops, I've got a lot of money
Caught in a rat race terminally
I'm a professional cynic but my heart's not in it
I'm paying the price of living life at the limit
caught up in the centuries anxiety
Yes, it preys on him (*preys on him*)
, he's getting thin (*getting thin*)

Now he lives in a house, a very big house in the country
Watching afternoon repeats
And the food he eats in the country
He takes all manner of pills
And piles up analyst bills in the country
Oh, it's like an animal farm
Lots of rural charm in the country

He's got morning glory, and life's a different story
Everything's going Jackanory
In touch with his own mortality
He's reading Balzac, knocking back Prozac
It's a helping hand that makes you feel wonderfully bland
oh, it's the centuries remedy
For the faint at heart, a new start

He lives in a house, a very big house in the country
He's got a fog in his chest
so he needs a lot of rest in the country
He doesn't drink, smoke, laugh
he takes herbal baths in the country
but you'll come to no harm
on the animal farm, in the country
In the country, In the country, In the country!

[instrumental]

Blow, blow me out I am so sad I don't know why
Blow, blow me out I am so sad I don't know why

Now he lives in a house,
A very big house in the country
Watching afternoon repeats
And the food he eats, in the country
He takes all manner of pills
And piles up analyst bills in the country
Oh, it's like an animal farm
Lots of rural charm in the country

[repeat this chorus]

Creep - Radiohead

[intro]

When you were here before
couldn't look you in the eye
You're just like an angel
your skin makes me cry

You float like a feather
in a beautiful world
I wish I was special
you're so very special

[chorus]

But I'm a creep
I'm a weirdo
What the hell am I doing here
I don't belong here

I don't care if it hurts
I wanna have control
I want a perfect body
I want a perfect soul

I want you to notice
when I'm not around
You're so very special
I wish I was special

[repeat chorus]

oh oh

[bridge]

She's running out the door
she's running out
She run run run run run

Whatever makes you happy
whatever you want
You're so very special
I wish I was special

[repeat chorus - slowly]

I don't belong here

Delilah - Tom Jones

I saw the light on the night
that I passed by her window
I saw the flickering shadows of love on her blind

She was my woman
As she deceived me I watched
and went out of my mind

My my my Delilah
Why why why Delilah?
I could see
that girl was no good for me
But I was lost like a slave
that no man could free

[instrumental verse]

At break of day when that man drove away
I was waiting
I crossed the street to her house
and she opened the door

She stood there laughing
Then I saw the knife in my hand
and she laughed no more

[chorus]

My my my Delilah
Why why why Delilah?

So before
they come to break down the door
Forgive me Delilah
I just couldn't take any more
Forgive me Delilah
I just couldn't take any more

Don't Look Back In Anger - Oasis

Slip inside the eye of your mind
Don't you know you might find
a better place to play

You said that you'd never been
But all the things that you've seen
slowly fade away

So I start a revolution from my bed,
'Cause you said the brains I had went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
take that look from off your face
'Cause you ain't ever gonna burn my heart out.

[chorus]

So Sally can wait, she knows it's too late
As we're walking on by.
Her soul slides away, But don't look back in anger
I heard you say

Take me to the place where you go,
Where nobody knows
if it's night or day

Please don't put your life in the hands
Of a rock and roll band
who'll throw it all away

Gonna start a revolution from my bed,
'Cause you said the brains I had went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
take that look from off your face
'Cause you ain't ever gonna burn my heart out

So Sally can wait, she knows it's too late
As we're walking on by.
My soul slides away, But don't look back in anger
I heard you say

[instrumental chorus - solo]

So Sally can wait, she knows it's too late
As we're walking on by.
Her soul slides away, But don't look back in anger
I heard you say.

So Sally can wait, she knows it's too late
As we're walking on by
Her soul slides away
Don't look back in anger
Don't look back in anger
I heard you say

at least not today

Don't Stop Believin' - Journey

[intro]

Just a small town girl
living in a lonely world
She took the midnight train going anywhere

Just a city boy
born and raised in south Detroit
He took the midnight train going anywhere

[break]

A singer in a smoky room
A smell of wine and cheap perfume
For a smile they can share the night
it goes on and on and on and on

Strangers waiting
up and down the boulevard
Their shadows searching in the night
Streetlight people
living just to find emotion
Hiding somewhere in the night

Working hard to get my fill...
everybody wants a thrill
Paying anything to roll the dice
just one more time

Some will win... some will lose...
some were born to sing the blues
Oh, the movie never ends...
it goes on and on and on and on

Strangers waiting
up and down the boulevard
Their shadows searching in the night
Streetlight people
living just to find emotion
Hiding somewhere in the night

Don't stop believing
hold on to the feeling
Streetlight people

Don't stop believing
hold on to the feeling
Streetlight people
Don't stop

Don't Stop Me Now - Queen

Tonight I'm gonna have myself a real good time
I feel al-i-i-i-ive
And the world turning inside out yeah
and floating around in ecstasy, so
Don't stop me now
Don't stop me 'cause I'm
having a good time having a good time.

I'm a shooting star leaping through the sky like a tiger
defying the laws of gravity
I'm a racing car... passing by like lady Godiva
I'm gonna go... go... go... go... there's no stopping me

[pre-chorus]

I'm burning through the sky yeah
two hundred degrees
that's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic man out of you

[chorus]

Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time
just give me a call
Don't stop me cause I'm having a good time
Don't stop me yes I'm having a good time
I don't want to stop at all

I'm a rocket ship on my way to mars on a collision course
I am a satellite
I'm out of control
I'm a sexmachine ready to reload
like an atombomb
about to oh... oh... oh... oh... oh... explode

[pre-chorus]

Don't stop me... don't stop me... don't stop me... hey hey hey
Don't stop me... don't stop me... ooh ooh ooh
Don't stop me... don't stop me... have a good time (*good time*)
Don't stop me... don't stop me... Ahhhh

[solo]

[pre-chorus]

[chorus]

Naaaa...

Don't You Want Me - Human League

[intro]

You were working as a waitress in a cocktail bar
When I met you
I picked you out, I shook you up,
and turned you around
Turned you into someone new

Now five years later on
you've got the world at your feet
Success has been so easy for you
But don't forget it's me
who put you where you are now
And I can put you back down too

[pre-chorus]

Don't, don't you want me?
You know I can't believe it
when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you
when you say that you don't need me
It's much too late to find
You think you've changed your mind
You'd better change it back or we will both be sorry

[chorus]

Don't you want me baby?
Don't you want me oh
Don't you want me baby?
Don't you want me oh

I was working as a waitress in a cocktail bar
That much is true
But even then I knew I'd find a much better place
Either with or without you
The five years we have had have been such good times
I still love you
But now I think it's time I lived my life on my own
I guess it's just what I must do

Don't, don't you want me?
You know I can't believe it
when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you
when you say that you don't need me
It's much too late to find
You think you've changed your mind
You'd better change it back or we will both be sorry

Don't you want me baby?
Don't you want me ohhh
Don't you want me baby?
Don't you want me ohhh
Don't you want me baby?
Don't you want me ohhh

Dreaming Of You - The Coral

[intro]

It's up in my heart when it skips a beat (*skips a beat*)
Can't feel no pavement right under my feet (*under my feet*)

Up in my lonely room (*wa-oooh*)
When I'm dreaming of you (*wa-oooh*)
Oh what can I do
I still need you, but I don't want you now

When I'm down and my hands are tied (*hands are tied*)
I cannot reach a pen for me to draw the line (*draw the line*)
From this pain I just can't disguise (*can't disguise*)
Its gonna hurt but I'll have to say goodbye (*say goodbye*)

Up in my lonely room (*wah-oooh*)
When I'm dreaming of you
Oh what can I do (*wah-oooh*)
I still need you, but I don't want you now

[instrumental verse]

Ooooooh ooooooh Ooooooh ooooooh,

Up in my lonely room (*wah-oooh*)
When I'm dreaming of you
Oh what can I do (*wah-oooh*)
I still need you but I don't want you now

Faith - George Michael

[intro]

[verse1]

Well I guess it would be nice, if I could touch your body
I know not everybody has got a body like you.
But I've got to think twice before I give my heart away,
And I know all the games you play, because I play them too

Oh but I need some time off from that emotion
Time to pick my heart up off the floor, oh
When that love comes down without devotion, oh well it
Takes a strong man baby but I'm showin' you the door

[chorus]

Because I gotta have faith, I gotta have faith
Because I gotta have faith faith faith, I gotta have faith

Baby, I know you're asking me to stay
Say please, please, please don't go away,
You say I'm giving you the blues.
Maybe, huh, you mean every word you say
I can't help but think of yesterday
And a lover who tied me down to the lover boy rules

Before this river becomes an ocean
Before you throw my heart back on the floor,
Oh, oh baby I'll reconsider my foolish notion
Well I need someone to hold me but I'll
Wait for something more...

[repeat chorus]

Before this river becomes an ocean
Before you throw my heart back on the floor,
Oh, oh baby I'll reconsider my foolish notion
Well I need someone to hold me but I'll
Wait for something more

[repeat chorus]

Firework - Katy Perry

Do you ever feel like a plastic bag
Drifting through the wind, wanting to start again?
Do you ever feel, feel so paper thin?
Like a house of cards one blow from caving in?
Do you ever feel already buried deep?
Six feet under scream but no one seems to hear a thing
Do you know that there's still a chance for you
Cause there's a spark in you you just gotta

Ignite the light
And let it shine
Just own the night
Like the Fourth of July

[chorus]

'Cause baby you're a fi-i-irework
Come on show 'em wha-a-at your worth
Make 'em go "Ah, ah, ah!"
As you shoot across the sky-y-y

Baby you're a fi-i-irework
Come on let your colours burst
Make 'em go "Ah, ah, ah!"
You're gonna leave 'em all in awe, awe awe

You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a rainbow!
Maybe your reason why all the doors are closed
So you could open one that leads you to the perfect road
Like a lightning bolt your heart will glow
And when it's time you'll know you just gotta

Ignite the light
And let it shine
Just own the night
Like the Fourth of July

[repeat chorus]

Boom, boom, boom
Even brighter than the moon, moon, moon
It's always been inside of You, you, you
And now it's time to let it thro-o-ough

[repeat chorus x2]

Boom, boom, boom
Even brighter than the moon, moon, moon

Boom, boom, boom
Even brighter than the moon, moon, moon

Baby you're a firework

Flowers - Miley Cyrus

[intro]

[verse 1]

We were good, we were gold
Kind of dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn
Mmm, I didn't wanna leave you, I didn't wanna lie
Started to cry but then remembered, I

[chorus]

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand

Yeah, I can love me better than you can

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby

Paint my nails, cherry red
Match the roses that you left
No remorse, no regret
I forget every word you said
Ooh, I didn't wanna leave you, baby, I didn't wanna fight
Started to cry but then remembered I

[chorus]

Yeah, I can love me better than you can

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I

I didn't wanna leave you, baby,
I didn't wanna fight
Started to cry but then remembered I

[chorus]

Yeah, I can love me better than,
Yeah, I can love me better than you can

[outro]

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby (*Baby yeah*)
Can love me better, I can love me better, baby
Can love me better, I

Friday I'm In Love - The Cure

[intro]

I don't care if Monday's blue
Tuesday's grey and Wednesday too
Thursday I don't care about you
It's Friday I'm in love

Monday you can fall apart
Tuesday Wednesday break my heart
Thursday doesn't even start
It's Friday I'm in love

Saturday wait
and Sunday always comes too late
but Friday never hesitate...

I don't care if Monday's black
Tuesday Wednesday heart attack
Thursday never looking back
It's Friday I'm in love

Tuesday Wednesday stay in bed

Dressed up to the eyes, it's a wonderful surprise
to see your shoes and your spirits rise
Throwing out your frown, and just smiling at the sound

Always take a big bite, it's such a gorgeous sight
to see you eat in the middle of the night
You can never get enough, enough of this stuff,
It's Friday, I'm in love

I don't care if Monday's blue
Tuesday's grey and Wednesday too
Thursday I don't care about you
It's Friday I'm in love

Monday you can fall apart
Tuesday Wednesday break my heart
Thursday doesn't even start
It's Friday I'm in love

How can I, ever change things that I feel?
If I could, maybe I'd give you my world
How can I, when you won't take it from me?

[chorus]

You can go your own way, Go your own way
You can call it another lonely day
You can go your own way, Go your own way

Tell me why, everything turned around?
Packing up, shacking up is all you wanna do
If I could, baby I'd give you my world
Open up, everything's waiting for you

Gold - Spandau Ballet

[intro]

Thank you for coming home
I'm sorry that the chairs are all gone
I left them here, I could have sworn
These are my salad days...
slowly being eaten away
It's just another play for today
Oh but I'm proud of you, but I'm proud of you
Nothing left to make me feel small
Luck has left me standing so taaa... aaa aaa ll

[chorus]

Gold (*Gold!*)
Always believe in your soul
You've got the power to know
You're indestructible
Always believe in
Because you are Gold (*Gold!*)
Glad that you're bound to return
There's something I could have learned
You're indestructible
Always believe in

[instrumental break]

After the rush has gone
I hope you find a little more time
Remember we were partners in crime
It's only two years ago
the man with the suit and the pace
You knew that he was there on the case
Now he's in love with you, he's in love with you
But love is like a high prison wall
And you could leave me standing so taaaaaall

[repeat chorus]

[instrumental break]

Your love is like a high prison wall
And you could leave me standing so taaaaaall

[repeat chorus]

"Heroes" - David Bowie

[Intro]

I, I wish you could swim
Like the dolphins, like dolphins can swim
Though nothing, will keep us together
We can beat them, forever and ever
Oh we can be Heroes, just for one day

[instrumental break]

I, I will be king
And you , you will be my queen
Though nothing will drive them away
We can be Heroes, just for one day
We can be us, just for one day

I, I can remember (*I remember*)
Standing, by the wall (*by the wall*)
And the guns, shot above our heads (*over our heads*)
And we kissed, as though nothing could fall (*nothing could fall*)

And the shame, was on the other side
We can beat them, forever and ever
Then we can be Heroes, just for one day
We can be Heroes
We can be Heroes
We can be Heroes

[outro]

Hey Jude - The Beatles

[Intro]

Hey Jude, don't make it bad,
Take a sad song and make it better.
Remember to let her into your heart
then you can start, to make it better.

Hey Jude, don't be afraid,
You were made to go out and get her.
The minute you let her under your skin
Then you begin
To make it better.

And any time you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulders.
For well you know that it's a fool
who plays it cool
By making his world a little colder,
da da da daa daa daa da da daa Mmmm

Hey Jude, don't let me down,
You have found her, now go and get her.
Remember to let her into your heart,
then you can start, to make it better.

So let it out and let it in
Hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude, you'll do
The movement you need is on your shoulder,
da da da daa daa daa da da daa

Hey Jude, don't make it bad,
Take a sad song and make it better.
Remember to let her under your skin, then you'll begin
To make it better, better, better, better, better, better oh.

Na na na na na na na
Na na na na, Hey Jude

Hot n Cold - Katy Perry

[no intro]

You change your mind
Like a girl changes clothes
Yeah You change your mind
Like a girl I would know

And you over think
Always speak, Cryptically
I should know, that you're no good for me

[chorus]

Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

(you) You don't really want to stay, no
(but you) But you don't really want to go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down

We used to be
Just like twins, So in sync
The same energy
Now's a dead battery,
Used to laugh bout nothing
Now you're plain boring
I should know that, You're not gonna change

[repeat chorus]

[instrumental part]

[bridge]

Someone call the doctor
Got a case of a love bi-polar
Stuck on a roller coaster
can't get off this ride

You change your mind
Like a girl changes clothes

[repeat chorus]

I Knew You Were Trouble - Taylor Swift

Once upon a time, a few mistakes ago
I was in your sights, you got me alone
You found me, you found me, you found me-e-e-e-e

I guess you didn't care and I guess I liked that
and when I fell hard you took a step back
Without me, without me, without meeeee

And he's long gone
when he's next to me
and I realize the blame is on me

[chorus]

'Cause I knew you were trouble when you walked in
So shame on me now-ow
Flew me to places I'd never been
'Till you put me down, oh

I knew you were trouble when you walked in
So shame on me now-ow
Flew me to places I'd never been
Now I'm lyin' on the cold hard ground!

Ahh oh oh, trouble, trouble, trouble
Ahh oh oh, trouble, trouble, trouble

No apologies he'll never see you cry
Pretends he doesn't know that he's the reason why
You're drowning, you're drowning, you're drowning-e-e-e-ing

And I heard you moved on from whispers on the street
A new notch in your belt is all I'll ever be
And now I see, now I see, now I see

He was long gone
when he met me
And I realize, the joke is on me, yeah

[repeat chorus]

[bridge]

And the saddest fear, comes creepin' in
That you never loved me or her,
Or anyone, or anything, yeah-eah

[repeat chorus]

I knew you were trouble when you walked in
trouble, trouble, trouble

I knew you were trouble when you walked in
trouble, trouble, trouble

I Wanna Be Like You - Jungle Book

[intro]

Now I'm the king of the swingers
Oh, the jungle VIP
I've reached the top and had to stop
And that's what botherin' me
I wanna be a man, mancub,
And stroll right into town
And be just like the other men
I'm tired of monkeyin' around!

Oh, oo-bee-doo (*oop-de-wee*)
I wanna be like you (*hup-de-hooby-do-bah*)
I wanna walk like you
Talk like you too (*weep-be-deeby-de-boo*)
You'll see it's true (*shooby-de-do*)
An ape like me (*scooby-dooby-do-be*)
Can learn to be human too

Now don't try to kid me mancub
I made a deal with you
What I desire is man's red fire
To make my dream come true
Give me the secret, mancub
Clue me what to do
Give me the power of man's red flower
So I can be like you

Oh, oo-bee-doo (*oop-de-wee*)
I wanna be like you (*hup-de-hooby-do-bah*)
I wanna walk like you
Talk like you too (*weep-be-deeby-de-boo*)
You'll see it's true (*shooby-de-do*)
Someone like me (*scooby-dooby-do-be*)
Can learn to be like someone like me (*take me home, daddy*)
Can learn to be like someone like you (*one more time*)
Can learn to be like someone like me-eee

I Want to Break Free - Queen

[intro]

I want to break free
I want to break free
I want to break free from your lies
You're so self-satisfied I don't need you
I've got to break free
God knows.
God knows I want to break free

I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love yeah
God knows.
God knows I've fallen in love

It's strange, but it's true
I can't get over the way you love me like you do.
But I have to be sure
When I walk out that door
Oh how I want to be free baby
Oh how I want to be free
Oh how I want to break free

[Instrumental verse]

But life still goes on
I can't get used to living without living without living without you
by my side
I don't want to live alone hey
God knows got to make it on my own

So baby can't you see
I've got to break free
I've got to break free
I want to break free yeah
I want I want I want I want to break free

I Will Survive - Gloria Gaynor

[intro]

At first I was afraid, I was petrified,
Kept thinkin' I could never live without you by my side.
But then I spent so many nights thinkin'
How you did me wrong,
And I grew strong and I learned how to get along.

And so you're back, from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock,
I should have made you leave your key
If I had known for just second you'd be back to bother me.

Go on now go, walk out the door,
Just turn around now, cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbyes?
Did you think I'd crumble? Did you think I'd lay down and die?

Oh no not I, I will survive
For as long as I know how to love I know I'll stay alive.
I've got all my life to live, I've got all my love to give,
And I'll survive, I will survive!
hey! hey!

[instrumental break]

It took all the strength I had not to fall apart,
Kept trying hard to mend the pieces of my broken heart.
And I spent oh so many nights just feeling sorry for myself
I used to cry, but now I hold my head up high...

And you see me, somebody new;
I'm not that chained up little person still in love with you.
And so you felt like dropping in, and just expect me to be free
And now I'm savin' all my lovin' for someone who's lovin' me.

Go on now go, walk out the door,
Just turn around now, cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbyes?
Did you think I'd crumble? Did you think I'd lay down and die?

Oh no not I, I will survive
For as long as I know how to love I know I'll stay alive.
I've got all my life to live, I've got all my love to give,
And I'll survive, I will survive!
hey! hey!

[instrumental break]

I'm a Believer - The Monkees

[intro riff]

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all my dreams

[chorus]

Then I saw her face
Now I'm a believer
Not a trace
Of doubt in my mind
I'm in love (*ooh*)
I'm a believer!
I couldn't leave her if I tried

[riff]

I thought love was more or less a given thing
Seems the more I gave the less I got
What's the use in trying?
All you get is pain
When I needed sunshine I got rain

Then I saw her face
Now I'm a believer
Not a trace
Of doubt in my mind
I'm in love (*ooh*)
I'm a believer!
I couldn't leave her if I tried

[wipeout instrumental]

What's the use in trying?
All you get is pain
When I needed sunshine I got rain

Then I saw her face
Now I'm a believer
Not a trace
Of doubt in my mind
I'm in love (*ooh*)
I'm a believer!
I couldn't leave her if I tried

[repeat chorus]

It Must Be Love - Madness

[intro]

I never thought I'd miss you
Half as much as I do
And I never thought I'd feel this way
The way I feel about you

As soon as I wake up
every night, every day
I know that it's you I need
To take the blues away

It must be love... love... love
It must be love... love... love
Nothing more
Nothing less
Love is the best

How can it be that we can
Say so much without words
Bless you and bless me
Bless the bees... and the birds

I've got to be near you
every night, every day
I couldn't be happy
Any other way))

It must be love... love... love
It must be love... love... love
Nothing more
Nothing less
Love is the best

[interlude]

As soon as I wake up
every night, every day
I know that it's you I need
To take the blues away

It must be love... love... love
It must be love... love... love
Nothing more
Nothing less
Love is the best

I've had the time of my life - Dirty Dancing

[intro]

[intro]

Now I've had the time of my life
No I never felt like this before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I owe it all to you

[interlude]

I've been waiting for so long
now I've finally found someone to stand by me
We saw the writing on the wall
as we felt this magical Fantasy
Now with passion in our eyes
there's no way we could disguise it secretly
So we take each other's hand
'cause we seem to understand the urgency
Just remember

You're the one thing
I can't get enough of
So I'll tell you something
this could be love because

[chorus]

I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you

[interlude]

With my body and soul
I want you more than you'll ever know
So we'll just let it go
don't be afraid to lose control
Yes I know what's on your mind
when you say 'stay with me tonight'
Just remember

You're the one thing
I can't get enough of
So I'll tell you something
this could be love because

[repeat chorus] x2

I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you

Jolene - Dolly Parton

[intro]

[chorus]

Jolene... Jolene... Jolene... Jolene
I'm begging of you please don't take my man
Jolene... Jolene... Jolene... Jolene
Please don't take him just because you can

Your beauty is beyond compare
with flaming locks of auburn hair
With ivory skin and eyes of emerald green
Your smile is like a breath of spring
your voice is soft like summer rain
And I cannot compete with you Jolene

He talks about you in his sleep
and there's nothing I can do to keep
From crying when he calls your name Jolene
Now I can easily understand
how you could easily take my man
But you don't know what he means to me Jolene

[repeat chorus]

You can have your choice of men
but I could never love again
He's the only one for me Jolene
I had to have this talk with you
my happiness depends on you
And whatever you decide to do Jolene

[repeat chorus]

[repeat chorus - then repeat last line]

Please don't take him even though you ca-a-a-a-an
Jolene

Learn To Fly - Foo Fighters

[intro]

[verse]

Run and tell all of the angels
This could take all night
Think I need a devil to help me get things right
Hook me up a new revolution
Cause this one is a lie
We sat around laughing, and watching the last one die

[chorus]

I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication
Looking 'cause I'm tired of lying
Make my way back home and learn to fly

[verse]

Think I'm done nursing the patience
It could wait one night.
Give it all away if you give me one last try
We'll live happily ever trapped if you just save my life.
Run and tell the angels that everything's alright.

[chorus]

I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home and learn to fly
Make my way back home when I learn to

[bridge]

Fly along with me I can't quite make it alone.
Try to make this life my own.
Fly along with me I can't quite make it alone.
Try to make this life my own.

[chorus]

I'm looking to the sky to save me,
Looking for a sign of life.
Looking for something to help me burnout bright.
I'm looking for a complication,
Looking 'cause I'm tired of trying.
Make my way back home when I learn to

Looking to the sky to save me,
Looking for a sign of life.
Looking for something to help me burnout bright.
I'm looking for a complication,
Looking 'cause I'm tired of trying.
Make my way back home when I learn to fly.
Make my way back home when I learn to fly.
Make my way back home when I learn to, to, to...

[outro]

Let it Go -Frozen*

[intro] |

The snow glows white on the mountain tonight
Not a footprint... to be seen
A kingdom of isolation... and it looks like... I'm the
queen
The wind is howling like this swirling storm
inside
Couldn't keep it in... Heaven knows I tried
Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel... don't let them know
Well, now they know **[stop]**

Let it go... let it go... can't hold it back anymore
Let it go... let it go... turn away and slam the door
I don't ca--re... what they're going to sa--ay
Let the storm rage on.
The cold never bothered me anyway.

It's funny how some distance
Makes everything seem small
And the fears that once controlled me... can't get to me at
all
It's time to see what I can do
to test the limits and break through
No right, no wrong, no rules for me--ee
I'm free **[stop]**

Let it go... let it go... I am one with the wind and sky
Let it go, let it go... you'll never see me cry
Here I stand... and here I'll stay
Let the storm rage on

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back... the past is in the past
Let it go... let it go... and I'll rise like the break of dawn.
Let it go... let it go... that perfect girl is gone
Here I stand... in the light of day
Let the storm rage o-o-on
The cold never bothered me anyway

Livin' On A Prayer - Bon Jovi

[intro]

Tommy used to work on the docks
Union's been on strike, he's down on his luck
It's tough
so tough

Gina works the diner all day
Working for her man
she brings home her pay
For lovehmmm
for love

She says we've got to hold on
to what we've got
It doesn't make a difference
if we make it or not
We got each other
and that's a lot For love
we'll give it a shot!

Whoaah we're half way there
Woah oh livin' on a prayer
Take my hand we'll make it I swear
Whoah oh livin' on a prayer

Tommy's got his four-string in hock
Now he's holding in what he used to make it talk
So tough mmm it's tough
Gina dreams of running away
When she cries in the night Tommy whispers
"Baby it's okay someday"

We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We got each other and that's a lot for love
we'll)give it a shot!

Whoaah we're half way there
Woah oh livin' on a prayer
Take my hand we'll make it I swear
Whoah oh livin' on a prayer
livin' on a prayer

[solo]

[bridge]

Oooohh we gotta hold on ready or not
You live for the fight when it's all that you've got

Whoaah we're half way there
Woah oh livin' on a prayer
Take my hand we'll make it I swear
Whoah oh, livin' on a prayer
livin' on a prayer

Mamma Mia - Abba

[intro]

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire with in my soul

Just one look and I can hear a bell ring
One more look and I forget everything, o-o-o-oh

[chorus]

Mamma mia, here I go again
my my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you
Yes, I've been broken hearted
blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know,
My my, I could never let you go.

I've been angry and sad about the things that you do
I can't count all the times that I've told you we're through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong.

Just one look and I can hear a bell ring
One more look and I forget everything, o-o-o-oh

[repeat chorus]

Mamma mia, even if I say
Bye bye, leave me now or never
Mamma mia, it's a game we play
Bye bye doesn't mean for ever

[repeat chorus]

Mr Brightside - The Killers

[intro]

I'm coming out of my cage,
And I've been doing just fine
Gotta gotta be down, Because I want it all
It started out with a kiss, How did it end up like this?
It was only a kiss, it was only a kiss

Now I'm falling asleep, And she's calling a cab
While he's having a smoke, And she's taking a drag
Now they're going to bed, And my stomach is sick
And it's all in my head, But she's touching his

chest Now, he takes off her dress, now
Let me go
I just can't look its killing me
And taking control

Jealousy, turning saints into the sea,
Swimming through sick lullabies
Choking on your alibis
But it's just the price I pay
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr Brightside

[instrumental break]

I'm coming out of my cage

It started out with a kiss

Never Gonna Give You Up - Rick Astley

[Intro]

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any other guy

I just wanna tell you how I'm feeling
Gotta make you understand

[chorus]

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

We've know each other for so long
Your heart's been aching But you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it

And if you ask me how I'm feeling
-Don't tell me you're too blind to see

[chorus]

Ooohh give you up
Ooohh give you up
Never gonna give
Never gonna give, give you up
Never gonna give
Never gonna give, give you up

We've know each other for so long
Your heart's been aching But you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it

I just wanna tell you how I'm feeling
Gotta make you understand

[chorus]

New York, New York - Frank Sinatra

[intro]

Start spreading the news
I'm leaving today
I want to be a part of it
New York, New York

These vagabond shoes
Are longing to stray
Right through the very heart of it
New York, New York

I want to wake up
In a city that doesn't sleep
And find I'm king of the hill
Top of the heap

These little town blues
Are melting away
I'll make a brand new start of it
In old New York

If I can make it there
I'll make it ... anywhere
It's up to you
New York New York

[instrumental break]

I want to wake up
In a city that never sleeps
And find I'm A-number one
Top of the list
King of the hill
A-number one

[slower tempo]

These little town blues
Are melting away
I'll make a brand new start of it
In old New York
If I can make it there
I'll make it anywhere
Come on through
New York New Yooooooooork

Purple Rain - Prince

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted to one time see you laughing
I only wanted to see you laughing in the Purple Rain

[chorus]

Purple Rain Purple Rain
Purple Rain Purple Rain
Purple Rain Purple Rain
I only wanted to see you bathing in the Purple Rain

I never wanted to be your weekend lover
I only wanted to be some kind of friend
Baby I could never steal you from another
It's such a shame our friendship had to end

[chorus]

Purple Rain Purple Rain
Purple Rain Purple Rain
Purple Rain Purple Rain
I only wanted to see you underneath the Purple Rain

Honey I know I know I know times are changin'
It's time we all reach out for somethin' new
That means you too
you say you want a leader
But you can't seem to make up your mind
I think you better close it
And let me guide you to the Purple Rain

[chorus]

Purple Rain Purple Rain

Whew if you know what I'm singin' about help me

Rolling in the Deep - Adele

[intro]

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark
Finally I can see you crystal clear
Go ahead and sell me out and I'll lay your ship bare

See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark

[bridge]

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me Breathless
I can't help feeling

[chorus]

We could have had it aa-aa-all
rolling in the dee-ee-eep
you had my heart inside of your hand
And you played it to the beat

Baby I have no story to be told
But I've heard one of you and I'm gonna make your head burn
Think of me in the depths of your despair
Making a home down there as mine sure won't be shared

[repeat bridge & chorus]

we could have had it aa-aa-all
rolling in the dee-ee-eep
you had my heart insi-i-ide of your hand
But you played it with it beating

Throw yourself through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
And pay me back in kind
and reap just what you sow-ow

(You're gonna wish you) (never had met me)

We could have had itaa-aa-all
we could have had it all yeah
It all, it all, it all

We could have had it a-aa-all
rolling in the dee-ee-eep
you had my heart insi-i-ide of your hand
And you played it to the beat
we could have had it aa-aa-all
rolling in the dee-ee-eep
you had my heart Insi-i-ide of your hand
But you played it, you played it, you played it
you played it to the beat

Sittin' On The Dock Of The Bay - Otis Redding

Sittin' in the mornin' sun,
I'll be sittin' when the evenin' comes.
Watchin' the ships roll in.
Then, I'll watch 'em roll away-ay again.

[chorus]

Sittin' on the dock of the bay, watchin' the tide roll away.
Sittin' on the dock of the bay, wastin' time.

I left my home in Georgia,
headed for the 'Frisco Bay.
I had nothin' to live for.
Looked like nothin' gonna come my way.

[repeat chorus]

[bridge]

Look like nothin's gonna change.
Everything still remains the same.
I can't do what ten people tell me to do.
So, I guess I'll remain the same.

Sittin' here restin' my bones
and this loneliness won't leave me alone.
Two thousand miles I roamed,
just to make this dock my home.

[repeat chorus]

[repeat chorus] - whistling

Song 2 - Blur

[intro]

WOO HOO! x4

[verse]

I got my head checked
By a jumbo jet
It wasn't easy
But nothing is, no

[chorus]

WOO HOO! When I feel heavy metal
WOO HOO! And I'm pins and I'm needles
WOO HOO! Well I lie and I'm easy
All of the time but I'm never sure why I need you
Pleased to meet you!

[verse]

I got my head done
When I was young
It's not my problem
It's not my problem

[chorus]

WOO HOO! When I feel heavy metal
WOO HOO! And I'm pins and I'm needles
WOO HOO! Well I lie and I'm easy
All of the time but I'm never sure why I need you
Pleased to meet you!

Yeah, yeah
Yeah, yeah
Yeah, yeah
Oh Yeah

Space Oddity - David Bowie

[intro]

Ground control to Major Tom
Ground control to Major Tom
Take your protein pills and put your helmet on
Ground control to Major Tom
Commencing countdown engines on
Check ignition and may God's love be with you
This is ground control to Major Tom
you've really made the grade
And the papers want to know whose shirt you wear
Now it's time to leave the capsule if you dare

This is Major Tom to ground control
I'm stepping through the door
And I'm floating in a most peculiar way
And the stars look very different today
For he-e-ere am I floating round my tin can
Fa-a-ar above the world
Planet earth is blue and there's nothing I can do

Though I'm past one hundred thousand miles
I'm feeling very still
And I think my spaceship knows which way to go
Tell my wife I love her very much - she knows

Ground control to Major Tom
your circuit's dead there's something wrong
Can you hear me Major Tom?
Can you hear me Major Tom?
Can you hear me Major Tom? Can you...

He-e-ere am I sitting in a tin can
Fa-a-ar above the moon
Planet earth is blue and there's nothing I can do

Starman - David Bowie

[intro]

Didn't know what time it was the lights were low-ow-ow.

I lean back on my radio-o-o

Some cat was laying down some rock'n'roll

'Lotta soul' he said.

Then the loud sound did seem to fa-a-ade

Came back like a slow voice on a wave of pha-a-ase

That weren't no DJ that was hazy, cosmic jive

There's a starman waiting in the sky

He'd like to come and meet us

But he thinks he'd blow our minds.

There's a starman waiting in the sky

He's told us not to blow it

'Cause he knows it all worthwhile, He told me,

"Let the children lose it, let the children use it,

Let the children boogie."

[instrumental break]

Well I had to phone someone so I picked on you-ou-ou

Hey that's far out, so you heard him too-oo-oo

Switch on the TV we may pick him up on Channel 2

Look out your window I can see his li-i-ight

If we can sparkle he may land toni-i-ight

Don't tell your papa or he'll get us locked up in fright

There's a starman waiting in the sky

He'd like to come and meet us. But he thinks he'd blow our minds.

There's a starman waiting in the sky

He's told us not to blow it

'Cause he knows it all worthwhile, He told me,

"Let the children lose it, let the children use it,

Let all the children boogie."

Starman waiting in the sky. He'd like to come and meet us

But he thinks he'd blow our minds.

There's a starman waiting in the sky. He's told us not to blow it

'Cause he knows it all worthwhile, He told me,

"Let the children lose it, let the children use it,

Let the children boogie."

[instrumental break]

La, la la la la, la la la la, la la la la, la la la la

Stuck In The Middle With You - Stealers Wheel

[intro]

Well I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs

Clowns to the left of me, Jokers to the right,
Here I am, Stuck in the middle with you

Yes I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep this smile from my face
Losing control, yeah, I'm all over the place

Clowns to the left of me, Jokers to the right
Here I am, Stuck in the middle with you.

[bridge]

Well you started out with nothing
and you're proud that you're a self-made-man
And your friends they all come crawlin
slap you on the back and say
Please...
Please...

Trying to make some sense of it all
But I can see that it makes no sense at all
Is it cool to go to sleep on the floor
Cause I don't think that I can take anymore

Clowns to the left of me, Jokers to the right
Here I am, Stuck in the middle with you.

[repeat bridge]

[repeat verse 1]

Yes I am, Stuck in the middle with you (**x3**)

Sunny Afternoon - The Kinks

[intro]

The taxman's taken all my dough
And left me in my stately home
Lazin' on a sunny afternoon

And I can't sail my yacht
He's taken everything I've got
All I've got's this sunny afternoon

Save me, save me, save me from this squeeze
I got a big fat mama tryin' to break me
And I love to live so pleasantly
Live this life of luxury
Lazin' on a sunny afternoon
In the summertime
In the summertime
In the summertime

My girlfriend's run off with my car
And gone back to her ma and pa
Tellin' tales of drunkenness and cruelty

Now I'm sittin' here
Sippin' at my ice-cool beer
Lazin' on a sunny afternoon

Help me, help me, help me sail away
Or give me two good reasons why I oughta stay
Cos I love to live so pleasantly
Live this life of luxury
Lazin' on a sunny afternoon
In the summertime
In the summertime
In the summertime

Ah Save me, save me, save me from this squeeze
I got a big fat mama tryin' to break me
And I love to live so pleasantly
Live this life of luxury
Lazin' on a sunny afternoon
In the summertime
In the summertime
In the summertime
In the summertime
In the summertime

Sweet Child O Mine - Guns N Roses

[Intro w/riff]

She's got a smile that it seems to me
Reminds me of childhood memories
Where everything was as fresh as the bright blue sky

Now and then when I see her face
She takes me away to that special place
And if I stare too long, I'd probably break down and cry

Whoa, oh, oh, sweet child o' mine
Whoa, oh, oh, oh, sweet love of mine

[instrumental]

She's got eyes of the bluest skies
As if they thought of rain
I'd hate to look into those eyes and see an ounce of pain

Her hair reminds me of a warm, safe place
Where as a child I'd hide
And pray for the thunder and the rain to quietly pass me by

Whoa, oh, oh, sweet child o' mine
Whoa, oh, oh, oh, sweet love of mine
Whoa, oh, oh, sweet child o' mine
Whoa, oh, oh, oh, sweet love of mine

[End Section Instrumental]

Where do we go? Where do we go now? Where do we go?
Where do we go? Where do we go now? Where do we go?
Where do we go? Where do we go now? Where do we go?
Where do we go? Where do we go now? Where do we go?

[slowing outro]

Sweet chi-i-ild
Sweet chi-i-i-i--i-i-i-i--i-i-i-i--i-ild of mi-ine

Sweet Home Alabama - Lynyrd Skynyrd

[Instrumental Intro]

Big wheels keep on turning
Carry me home to see my kin
Singing songs about the southland
I miss'ole' 'bamy once again and I think it's a sin

[Instrumental Break]

Well, I heard Mister Young sing about her
Well, I heard ole Neil put her down.
Well, I hope Neil Young will remember,
A southern man don't need him around anyhow
Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you

[Instrumental Break]

In Birmingham they love the Gov'nor ooh ooh ooh
Now we all did what we could do.
Now Watergate does not bother me.
Does your conscience bother you? tell the truth
Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you

[Instrumental Break]

Now Muscle Shoals has got the Swampers
And they've been shown to pick a song or two (*Yes they do!*)
Lord they get me off so much
They pick me up when I'm feeling blue now how about you?
Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you
Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you

Tainted Love - Soft Cell

[intro] x2

[verse]

Sometimes I feel I've got to
Run away I've got to
Get away from the pain you
Drive into the heart of me

The love we share seems to
Go nowhere
And I've lost my light for I
Toss and turn, I can't sleep at night

[chorus]

Once I ran to you now I run from you
This tainted love you're given
I give you all a boy could give you
Take my tears and that's not nearly all
tainted love, oh oh-oh
Tainted love

Now I know I've got to
Run away I've got to
Get away you don't
Really want any more from me
To make things right you need
Someone to hold you tight
and you Think love is to pray
but I'm sorry, I don't pray that way

[repeat chorus]

Don't touch me please I cannot
Stand the way you tease
I love you though you hurt me so
Now I'm going to pack my things and go

Tainted love oh oh-oh
Tainted love oh oh-oh
Tainted love oh oh-oh
Tainted love oh oh-oh
Touch me baby tainted love

[repeat and fade]

Take on Me - Aha

[intro]

We're talking away
I don't know what I'm to say
I'll say it anyway
Today's another day to find you
Shying away
I'll be coming for your love, OK

Take on me (*take on me*)
Take me on (*take on me*)
I'll be gone in a day or two

So needless to say
I'm odds and ends but I'm me
Stumbling away
Slowly learning that life is OK
Say after me
It's no better to be safe than sorry

Take on me (*take on me*)
Take me on (*take on me*)
I'll be gone in a day or two

Oh the things that you say
Is it life or just a play
My worries away
You're all the things I've got to remember
You're shying away
I'll be coming for you anyway

Take on me (*take on me*)
Take me on (*take on me*)
I'll be gone in a day or two

Take on me (*take on me*)
Take me on (*take on me*)
I'll be gone in a day or two

Teenage Dirtbag - Wheatus

[intro]

Her name is Noelle... I have a dream about her
She rings my bell... I got gym class in half an hour
Oh how she rocks... in keds and tube socks
But she doesn't know who I am
And she doesn't give a damn about me

Cos I'm just a teenage dirtbag baby
Yeah I'm just a teenage dirtbag baby
Listen to Iron Maiden baby, with me
Ooo-ooo ooh

Her boyfriend's a dick... he brings a gun to school
And he'd simply kick... my ass if he knew the truth
He lives on my block... and drives an IROC
But he doesn't know who I am
And he doesn't give a damn about me

Cos I'm just a teenage dirtbag baby
Yeah I'm just a teenage dirtbag baby
Listen to Iron Maiden baby, with me
Ooo-ooo ooh

Oh yeaaa--ah dirtbaaaa--aaa--ag
No she doesn't know what she's missing
Ohyeaaa--ah dirtbaaaa--aaa--ag
No she doesn't know what she's missing

Man I feel like mould... it's prom night and I am lonely
Lo and behold... she's walking over to me
This must be fake... my lip starts to shake
How does she know who I am?
And why does she give a damn about me?

I've got two tickets to Iron Maiden baby
Come with me Friday don't say maybe
I'm just a teenage dirtbag baby, like you
Ooo-ooo ooh

Oh yeaaa--ah dirtbaaaa--aaa--ag
No she doesn't know what she's missing
Oh yeaaa--ah dirtbaaaa--aaa--ag
No she doesn't know what she's missing

The Final Countdown - Europe

[Intro:]

We're leaving together, but still it's farewell
And maybe we'll come back to Earth, who can tell?
I guess there is no one to blame
We're leaving ground.
Will things ever be the same again? (*stop*)

[chorus]

It's the final countdown.
The final countdown.

[verse 2]

We're heading for Venus, and still we stand tall,
'Cause maybe they've seen us, and welcome us all?
With so many light years to go
And things to be found.
I'm sure we will all miss her so.

It's the final countdown.
The final countdown.

It's the final countdown.
The final countdown.

These Boots Are Made for Walkin' - Nancy Sinatra

[intro]

[verse]

You keep sayin' you've got somethin' for me
Somethin' you call love but confess
You've been messin' where you shouldn't be messin', yeah!
And now someone else is getting all your best

[chorus]

These boots are made for walkin'
And that's just what they'll do
One of these days these boots
are gonna walk all over you

You keep lyin' when you ought to be truthin'
And you keep losin' when you oughta not bet
You keep samein' when you ought to be a-changin', yeah!
Now what's right is right but you ain't been right yet

[repeat chorus]

You keep playin' where you shouldn't be playin'
And you keep thinkin' that you'll never get burned, ha!
I just found me a brand new box of matches, yeah!
And what he knows you ain't had time to learn

[repeat chorus]

[outro - spoken]

Are you ready boots, start walkin'

Titanium - David Guetta ft. Sia

[intro]

You shout it out
But I can't hear a word you say
I'm talking loud not saying much
I'm criticized but all your bullets ricochet
You shoot me down, but I get up

[Chorus]

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away
You shoot me down but I won't fall
I am titanium
You shoot me down but I won't fall
I am titanium

x2

Cut me down
But it's you who'll have further to fall
Ghost town and haunted love
Raise your voice, sticks and stones may break my bones
I'm talking loud not saying much

[Chorus]

[bridge]

Stone-hard, machine gun
Firing at the ones who run
Stone-hard as bulletproof glass
You shoot me down but I won't fall
I am titanium
I am titanium **x3**

I am titanium

Torn - Natalie Imbruglia

[intro]

I thought I saw a man brought to life
He was warm he came around like he was dignified
He showed me what it was to cry

Well you couldn't be that man I adored
You don't seem to know don't seem to care
What your heart is for
well I don't know him anymore

There's nothin' where he used to lie
the conversation has run dry
That's what's going on
nothing's fine, I'm torn

[chorus]

I'm all out of faith
This is how I feel
I'm cold and I am shamed
lying naked on the Floor
illusion never changed
Into something real
I'm wide awake and I can see the perfect sky is torn
You're a little late I'm already torn

So I guess the fortune teller's right
I should have seen just what was there and not some Holy light
but you crawled beneath my veins and now
I don't care I have no luck
I don't miss it all that much
There's just so many things
that I can't touch, I'm torn

[chorus]

torn
ooooh.... ooh ooh, ooh

There's nothing where he used to lie
my inspiration has run dry
That's what is goin' on
nothin's right, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
lying naked on the Floor
illusion never changed
Into something real
I'm wide awake and I can see the perfect sky is torn

I'm all out of faith, this is how I feel
I'm cold and I'm ashamed
bound and broken on the floor
You're a little late
I'm already torn
torn...

Tribute - Tenacious D

This is the greatest and best song in the world... Tribute.
Long time ago me and my brother Kyle here,
We was hitchhikin' down a long and lonesome road.
All of a sudden, there shined a shiny demon...
In the middle of the road.
And he said:
"Play the best song in the world, or I'll eat your souls."

Well me and Kyle, we looked at each other,
And we each said... "Okay"

And we played the first thing that came to our heads,
Just so happened to be, The Best Song in the World,
it was The Best Song in the World.

Look into my eyes and it's easy to see
One and one make two, two and one make three,
It was destiny.

Once every hundred-thousand years or so,
When the sun doth shine and the moon doth glow
And the grass don't grow...

Needless to say, the beast was stunned.
Whip-crack went his schwumpy tail,
And the beast was done.

He asked us: "Be you angels?"
And we said, "Nay. We are but men!"
ROCK!

Ahhh, ahhh, ahhh-ah-ah,
Ohhh, whoah, ah-whoah-oh!

This is not The Greatest Song in the World.
No, this is just a tribute.
Couldn't remember The Greatest Song in the World.
No, this is a tribute, oh.
To The Greatest Song in the World, All right!
It was The Greatest Song in the World, All right!
It was the best muthaforgetin' song
The greatest song in the world.

[solo]

And the peculiar thing is this my friends:
The song we sang on that fateful night,
It didn't actually sound anything like this song.
This is just a tribute! You gotta' believe me!
And I wish you were there! Just a matter of opinion.
Ah, forget! Good God, God lovin',
So surprised to find you can't stop it.

All right!
All right!

Valerie - The Zutons

[verse 1]

Well sometimes I go out by myself
and I look across the water
And I think of all the things that you're doing
and in my head I make a picture.

[chorus]

Cos since I've come on home
well my body's been a mess.
And I've missed your ginger hair
and the way you like to dress.
Won't you come on over? Stop making a fool of me
Why won't you come on over Valerie? Valerie.

Did you have to go to jail? Put your house on up for sale?
Did you get a good lawyer?
I hope you didn't catch a tan.
I hope you find the right man who'll fix it for you.

Are you shopping anywhere? Changed the colour of your hair?
Are you busy?
And did you have to pay the fine you were dodging all the time?
Are you still dizzy?

[repeat chorus]

Well sometimes I go out by myself and I look across the water.
And I think of all the things that you're doing
and in my head I make a picture.

Cos since I've come on home
well my body's been a mess
And I've missed your ginger hair
and the way you like to dress.
Won't you come on over? Stop making a fool of me
Why won't you come on over Valerie? Valerie.
Valerie. Valerie. Valerie. Valerie.

What's Up What's Going On - Four Non Blondes

Twenty Five years and my life is still
Trying to get up that great big hill of hope
For a destination

I realized quickly when I knew that I should
That the world was made of this brotherhood of man
For whatever that means

And So I cry sometimes when I'm lying in bed
Just to get it all out
whats in my head and I, I am feeling a little peculiar
So I wake in the morning and I step outside
and I take a deep breath and I get real high and
I scream at the top of my lungs WHATS GOING ON?

[chorus]

And I said Hey ey-ey-ey-ey, Heyeyey
I said Hey Whats going on?
And I said Heyeyeyeyey, Heyeyey
I said Hey Whats going on?
Ooh, Ooh Ooh

And I try, oh my god do I try
I try all the time, in this institution
And I pray, oh my god do I pray
I pray every single day
For a revolution

And So I cry sometimes when I'm lying in bed
Just to get it all out whats in my head and I
I am feeling a little peculiar.
So I wake in the morning and I step outside
and I take a deep breath and I get real high and
I scream at the top of my lungs WHATS GOIN ON?

[chorus]

Twenty Five years and my life is still
Trying to get up that great big hill of hope
For a destination

YMCA - The Village People

Young man, there's no need to feel down, I said
Young man, pick yourself off the ground, I said
Young man, cause you're in a new town
There's no need to be unhappy.
Young man, there's a place you can go, I said
Young man, When you're short on your dough, you can
Stay there, and I'm sure you will find
Many ways to have a good time.

[chorus]

It's fun to stay at the YMCA.
It's fun to stay at the YMCA,
They have everything for you men to enjoy
You can hang out with all the boys.

It's fun to stay at the YMCA.
It's fun to stay at the YMCA,
You can get yourself cleaned
you can have a good meal
You can do whatever you feel.

Young man, are you listening to me, I said
Young man, what to you want to be, I said
Young man, you can make real your dreams,
But you've got to know this one thing...
No man does it all by himself, I said
Young man, put your pride on the shelf and just
Go there, to the YMCA
I'm sure they can help you today.

[repeat chorus]

Young man, I was once in your shoes, I said
I was down and out with the blues, I felt
No man cared if I were alive
I felt the whole world was so tight.
That's when someone came up to me and said,
Young man, take a walk up the street
There's a Place there called the YMCA
They can start you back on your way.

[repeat chorus]

You're the One that I Want - Grease

[intro]

I got chills they're multiplying
And I'm losing control
Cos the power you're supplying
It's electrifying

You better shape up cause I need a man
And my heart is set on you
You better shape up you better understand
To my heart I must be true
Nothing left, nothing left for me to do

[chorus]

You're the one that I want (*you are the one I want*)

Oo-oo-oo honey

The one that I want (*you are the one that I want*)

Oo-oo-oo honey

The one that I want (*you are the one that I want*)

Oo-oo-oo honey

The one I need

oh yes indeed

If you're filled with affection

You're too shy to convey

Better take my direction

Feel your way

I better shape up cos you need a man

Who can keep you satisfied

I better shape up if I'm gonna prove

That my faith is justified

Are you sure? Yes I'm sure down deep inside

You're the one that I want (*you are the one I want*)

Oo-oo-oo honey

The one that I want (*you are the one that I want*)

Oo-oo-oo honey

The one that I want (*you are the one that I want*)

Oo-oo-oo honey

The one I need

oh yes indeed

You're the one that I want (*you are the one I want*)

Oo-oo-oo honey

The one that I want (*you are the one that I want*)

Oo-oo-oo honey

The one that I want (*you are the one that I want*)

Oo-oo-oo honey

The one I need oh yes indeed
